Yacht Club to host wine and jazz festival

Published by The Reporter | August 26, 2009

The Solano Yacht Club, on the water in the Suisun City Marina, will host a wine tasting and jazz festival on Sept. 19.

There will be eight wineries and vintners from Suisun Valley offering a tasting of their award-winning wines.

For the music lover, there will be a minimum of four different bands, offering traditional jazz, blues, and Dixieland jazz. A favorite among jazz lovers from around the greater Bay Area, Ted Shafer's Jelly Roll Jazz Band will be featured at two different venues within the Yacht Club grounds. Additionally, Sweet Home Chicago, a blues band, will be participating throughout the day.

Several vendors will also be on the property offering a variety of food and arts and crafts. Wine tasting and the music venues will be open from 11 a.m. to 5 p.m.

Admission is \$20 for adults, \$10 for ages 16 to 20 and children under 16 are free but must be accompanied by an adult.

Admission includes all wine tasting and all music venues.

The Yacht Club is seeking additional vendors for the day at this time. For additional information, call Steve at (707) 426-9530.
