

Grower/Voting Membership

Criteria

- Must commercially grow grapes within Suisun Valley AVA

Direct Benefits

- Continued support and marketing of the Suisun Valley Brand and AVA to increase consumer awareness and visitation, as well as wine grape value for the Grower in a rapidly changing economy.
- Annual Grape Growers & Vintners seminars tailored to the needs of Suisun Valley producers
- Strengthening of the Grower and Marketing Committees through the Strategic Plan
- Vintners committee aimed at improving the networking between our Winemakers as well as provide added knowledge base with technical seminars and peer tastings.
- Access to CAWG lobby firms and strategies.
- Association access to the CAWG legal program with Downey Brand PLC in Sacramento
- Suisun Valley branded sponsorship of the 'State of Industry' session at Unified Wine and Grape Symposium
- Direct updates and coordination with the Solano County Ag Commissioner on vector/pest issues
- Analysis of key industry reports such as the Annual Crush Report
- 'Industry Resources' on front page of SVVGA.com where current issues and information are consistently posted for growers
- Direct efforts to change boundary of Grape Pricing District 5 to move Ryer Island and adjoining portions of Solano County into Grape Price District 17 (Clarksburg region), eliminating downside price pressure to our averages in annual crush report.
- Active voice within Solano County government
- Invitation to Membership Dinner

Grower/Voting Memberships with SVVGA will be evaluated to insure they meet all membership criteria.
