

# Townhall Meeting

## Proposed Sewer Feasibility Study for Suisun Valley

Tuesday, September 30, 2025 at 5:30pm

### Agenda

1. Welcome – Supervisor Wanda Williams
2. Resource Management
  - Why the County is proposing sewer services in Suisun Valley
  - Pros/Cons of sewer services in Suisun Valley
  - Bond Measure to implement transition to sewer service for Suisun Valley
  - Option – is there the ability to opt in or opt out of sewer services in the Suisun Valley
3. Fairfield-Suisun Sewer District
  - What prompted the initial need of the sewer feasibility study
  - Why is the study being requested for the entire Suisun Valley when the residents/businesses of the Valley are not requested sewer services
  - If implemented, what would be the financial impacts to residents/businesses in the Suisun Valley
4. Questions/Answers
5. Closing
